You often have only one chance to make a good impression. However, events like the upcoming University of Hawaii Career Fair are often challenging environments in which to accomplish this. Join us and learn:

- ✓ **The dos and don'ts of attending a Career Fair**
- ✓ **How to make the best of your 30 seconds with a potential employer (yes, that may be all you have)**
- ✓ **One-on-one practice opportunities with professionals in attendance**

Don't miss out on this opportunity to hone your networking skills!
