

ENGINEERING STUDENT AMBASSADOR
APPLICATION

REFERENCE FORM

This student is applying for the Engineering Student Ambassador (ESA) position within the College of Engineering, and is requesting your recommendation for this position. An ESA serves as a college resource and liaison, representing the college to students, families, educators, and industry professionals throughout the academic year. Each ESA is responsible for assisting in all facets of outreach, recruitment, event planning, and program implementation.

Applicant: _____ Your name: _____

Your title: _____ Dept./program: _____

Phone: _____ Email: _____

How long and in what capacity have you known the applicant?

In your opinion, what are the qualities/attributes the applicant possesses that would enhance his/her service as a College of Engineering Ambassador?
