Introductions (5 minutes)

What Employers Want: Insider Tips for Career Day (30 minutes)

We'll start off by discussing topics that apply to all students, such as do's and don'ts for Career Day and what recruiters are searching for. College staff will moderate this full-group session, and all industry volunteers are invited to contribute to the conversation and share their answers to the below questions.

Breakout Rooms by Major - CE, CENG, EE, ME (60 minutes total)

Students, faculty, and industry members will move into breakout groups to have more specific conversations about employment in each field. Each room will have a pre-determined volunteer facilitator to keep the session flowing.

Part I: Major-Specific Advice and Guidance (30 minutes)

Part II: Guided research (30 minutes)

Wrap-Up and Career Day Overview (25 minutes)

After our breakout room time, we'll come back together in the main room to discuss take-aways from the breakout sessions and an overview of what to expect at Career Day.
