

## **NAVFAC PACIFIC – DESIGN & CONSTRUCTION – INFORMATION SESSION**

Headquartered at Pearl Harbor, Hawaii, NAVFAC Pacific directly reports to NAVFAC in Washington D.C. NAVFAC Pacific's primary mission is service to the Fleet, by serving as the Navy's facilities, installation, and contingency engineers throughout the Pacific area of operations (AO).

NAVFAC Pacific's skilled and experienced professionals provide planning, design, and construction of shore facilities for all military departments and for other federal agencies. NAVFAC Pacific is the principal planning agent for the Commander, U.S. Pacific Command, and it provides engineering and acquisition services and technical support needed by the U.S. Pacific Fleet and its shore-based activities.

To serve its customers, NAVFAC Pacific is organized into distinct communities: Asset Management, *Design & Construction*, Environmental, Public Works, and Theater Engineering.
