3rd Column:

You do not need to check this third column because it does not include any requirements in the “Courses Not Yet Classified”, “Non-Applicable Courses”, and “Events and Actions” sections.

If there is any red here, you can ignore it.

The screenshot displays a user interface for course management, divided into three main sections:

- Courses Not Yet Classified:** This section is highlighted with a light blue header. A red circle with the number '3' is positioned above the header. To the right of the header is a 'View All' link with an unchecked checkbox. Below the header is a table with columns: Semester (dropdown), Course, Gr (Grade), Cr (Credits), and Campus. An 'Expand' dropdown is located at the bottom right of this section.
- Non-Applicable Courses:** This section has a light blue header. Below it is a table with columns: Semester (dropdown), Course, Gr (Grade), Cr (Credits), and Campus. A single row is visible: Spring 2018, EE 160, C-, 0.00, Manoa.
- Events and Actions:** This section has a light blue header with a 'View All' link and an unchecked checkbox. It contains two sub-sections:
 - Events:** A list of events including 'Spring 2020 Manoa Undergraduate Semester disrupted by COVID-19', 'Applied to Manoa Fall 2017 Standard Undergraduate BS Pre-Engineering JUN-29-2017 MAN', and 'Recruited by Manoa Fall 2017 Undergraduate Bachelor of Arts MAY-28-2015 MAN'.
 - Actions:** A message stating 'There are currently no Actions to show.'

The Order of the Engineer

When you graduate from the College of Engineering you are invited to join the Order of the Engineer

<https://order-of-the-engineer.org/about-the-order/history/>

- Order of the Engineer
 - Primary purpose of an engineer is service to the public
 - Symbolize a common bond among those in the engineering profession
- Obligation of an Engineer
 - Oath (similar to the Hippocratic oath) taken with your graduating classmates to uphold the standards and dignity of the engineering profession
 - Oath/Ring ceremony held during Convocation (UHM Engineering Graduation Ceremony)
- Engineer's Ring
 - Stainless steel ring, worn on the fifth finger of the working hand to remind you of your obligation to uphold the standards and dignity of the engineering profession
 - Ring is free to graduates but must participate in the Oath taking to receive the ring

Graduation Ceremonies

UH Manoa Commencement is a separate event from the College of Engineering Convocation Ceremony. They are both optional so you may do both ceremonies, just one of them, or none.

Commencement is the UH Manoa cap and gown ceremony for the whole campus (all majors). Since COVID-19 the commencement ceremonies have been cancelled or changed to a photo opportunity due to being unable to hold large gatherings. The UH Manoa Commencement Office has not made an announcement for the plans for the upcoming ceremony yet. But the sign up for commencement and information on what will be held will be updated on the commencement website. The Commencement Office will email everyone who is filed to graduate with announcements. If you do plan to participate you will need to register to participate.

Sign up by **Dec 1(Fall) or May 1(Spring)** at <https://manoa.hawaii.edu/commencement/>

Convocation is the College of Engineering graduation ceremony for engineering students. If you would like to receive the Order of the Engineer Ring, participation is required to take the Oath of the Engineer during the ceremony. Since COVID-19, the ceremony has been online through Zoom and streamed live on Youtube for family and friends to watch. Please stay tuned for updates as we explore the possibility of holding an in-person ceremony. If you do plan to participate you will need to register to participate.

Sign up by **Dec 1(Fall) or May 1(Spring)**

Link to convocation registration will be emailed to all students who have filed to graduate.

Mid Semester Fall(Oct - Nov) or Spring/Summer(Mar - Apr)

Check STAR to see that you are “Petitioned” to graduate under the Events and Actions section of the STAR Academic Essentials Page.

Once you are “Petitioned” please pay your \$30 Manoa Diploma fee which should be showing balance in MyUH or STAR.

Fill out the CoE Teaching Award ballot. Sent by email during October(Fall) or March(Spring/Summer).

Register for the graduation ceremonies by Dec 1(Fall) or by May 1 (Spring/Summer).

- UHM Commencement
- CoE Convocation

Mandatory Advising (not needed)

- As a graduating senior, you do NOT need to do mandatory advising in your final semester.
- You will still get the emails for mandatory advising since you are still on the general senior email listserv but you can ignore it.

After the Semester Ends

Grades officially roll on the Wednesday after Finals Week.

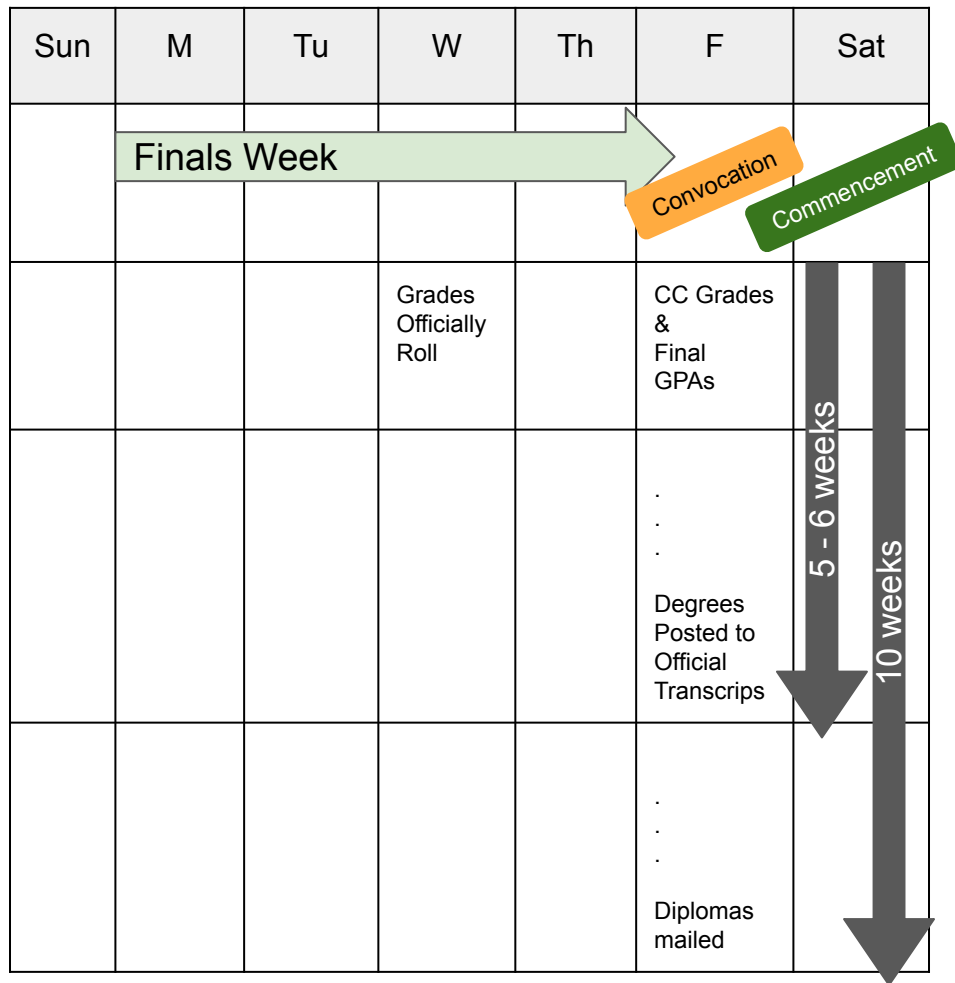

Community College grades usually show in STAR by the Friday after Finals Week.

Final GPAs show in STAR by the Friday after Finals Week.

CoE will complete the final graduation checks after final grades officially roll. (Typically it takes a 1 - 2 weeks after grades roll to confirm all of our graduates.)

The UHM Office of the Registrar will then post the awarded degrees to the confirmed students' records. (Typically ~5 - 6 weeks after graduation.)

The UHM Office of the Registrar mails diplomas to the mailing address indicated on the Degree Application. (Typically ~10 weeks after graduation.)

After the Semester Ends - Week after Finals

Be sure to check that you passed all of your courses with the appropriate grades and minimum 2.0 overall and major GPAs to graduate.

If you passed all of your courses and have both overall and major GPAs of 2.0 or higher then you will be graduating.

You will receive an email from the CoE stating that your degree will be awarded. Congratulations!

If you did not pass all of your courses or do not have both overall and major GPAs of 2.0 or higher then you will not be graduating.

Contact the Director of Academic Affairs right away to talk about re-filing to graduate.

Contact Office of the Registrar at uhmdipls@hawaii.edu to ask them to reopen your registration for the upcoming semester.

** If you do not do the above, you will be unable to register to retake courses for graduation. **

After the Semester Ends - Transcripts

~ 5 - 6 Weeks After Graduation

Check STAR to see that you are “Awarded” your degree under the Events and Actions section of the STAR Academic Essentials Page. If still showing as “Petitioned” then the Registrar’s Office has not finished posting your degree yet.

After showing as “Awarded” it is okay to order your final official transcripts for applications for employment and/or graduate schools.

<https://manoa.hawaii.edu/registrar/student-records/ordering-transcript/>

Most Employers or Graduate Schools will ask for your final official transcript as “proof of degree.” Your transcript is considered final after your degree has been posted (showing as Awarded in STAR). Your transcript is considered official when it is ordered through the Registrar Office website above.

Email the Office of the Registrar at uhmtrans@hawaii.edu if you have questions on ordering your official final transcript.

Actions

After the Semester Ends - Diploma

~10 Weeks After Graduation

Diplomas will be mailed to the address that you provided on your Degree Application Form around ~10 weeks after graduation.

Email the Office of the Registrar at uhmdipls@hawaii.edu if you have questions about your diploma or if you need to update your mailing address with them.

Diplomas are not typically not used as your “proof of degree.” Most Employers or Graduate Schools will ask for your final official transcript as “proof of degree.”

Letter of Confirmation

If proof of degree is requested by your employer or school before final official transcripts are ready, the College can write a letter confirming that you have met all requirements to graduate and include your final gpa. The earliest these letters can be generated is 2 weeks after finals.

Some of you may have jobs lined up and your employers may be asking for a confirmation of degree early. Please email enr@eng.hawaii.edu to request a letter of confirmation at the end of the semester. Include the email addresses and company/school affiliation of the recipients.

If your employer does not need proof of degree until after transcripts are ready (~5-6 weeks), then you should order your final official transcripts at that time and you do not need to request a letter.

Congratulations!

Please complete the CoE Graduation Check Google Form before the deadline

For questions, contact enr@eng.hawaii.edu
