

Honolulu Board of Water Supply

2024 Summer Internship

💧 Engage 💧 Explore 💧 Experience 💧

The City and County's College Student Employment Program provides gainful employment for college students to assist departmental staff with temporary help in professional or technical areas.

Tentative Dates: June 2024-August 2024

Shadowing licensed Civil Engineers to experience authentic water-related engineering duties and responsibilities

Hands-on field work involving fire hydrant testing, source water investigations, treatment plant tours, and more

Collaborate with other interns and exploring your interests in water with a self-directed capstone project of your choice.

Education Requirements

- ❖ Successful completion of **at least one year** of post-secondary education which leads to an undergraduate or graduate degree.
- ❖ Current enrollment in an accredited post-secondary educational institution on at least a half-time basis, or intent to register in the next regular semester.
- ❖ Must provide a copy of your transcript (may be submitted at the end of the current academic year)

Student Aide II: Pay \$16.00 per hour

To APPLY: Please submit your cover letter, résumé and transcripts to BWSHR@hbws.org

At the time of application, you must be a citizen, national, or permanent resident alien of the United States or a non-citizen eligible under Federal law for unrestricted employment.
