End of Semester

Finals Week

Friday - Convocation

Saturday - Commencement

Week after Finals

Wednesday - UHM Final Grades Officially Roll

Friday - UH Community College grades show up in STAR and final gpas finish calculating

2 Weeks after Finals

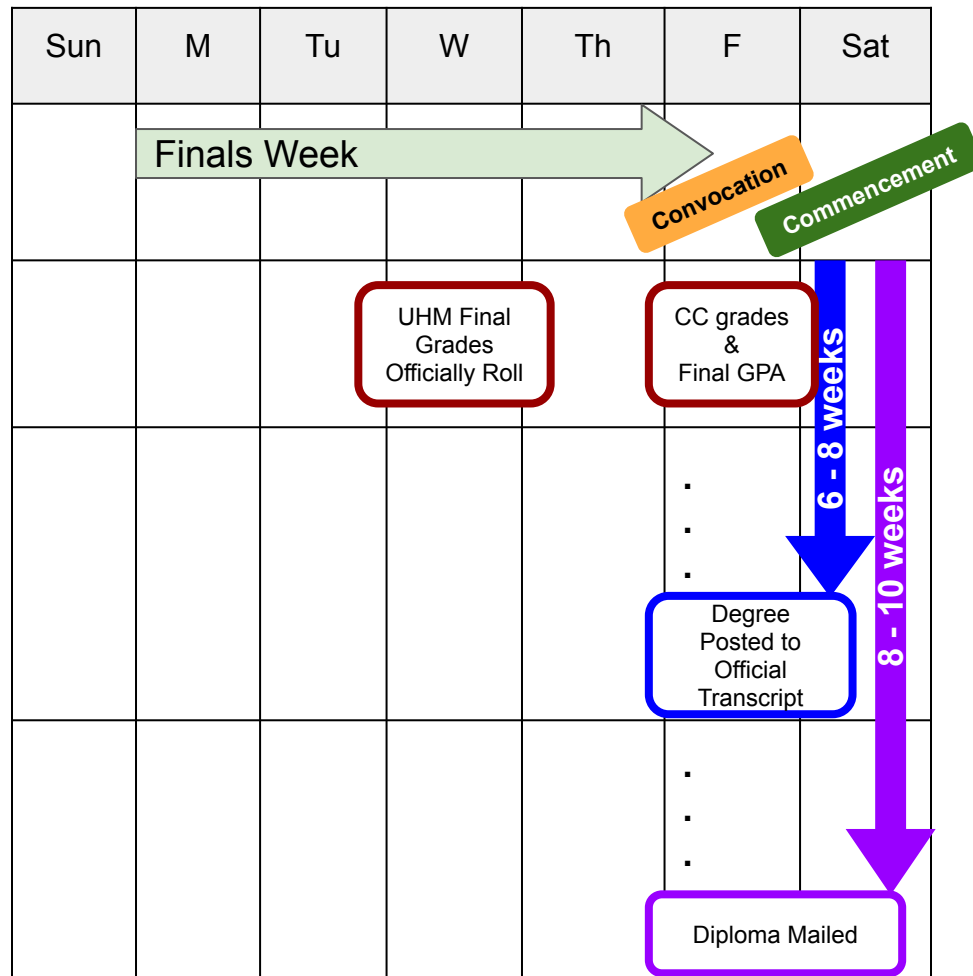

CoE will complete the final graduation checks after final grades officially roll to confirm all of our graduates to the UHM Office of the Registrar.

~ 6 - 8 Weeks after Graduation

UHM Office of the Registrar will post the awarded degrees to the confirmed students' records. Final Official Transcripts can be ordered.

~ 8 - 10 Weeks after Graduation

Printing company mails diplomas directly to the mailing address indicated on students' Degree Application.

How and when do I know that I graduated?

Be sure to check that you passed all of your courses with the *appropriate grades and minimum 2.0 overall and major GPAs* needed to graduate.

When to check? The end of the week after finals.

If you passed all of your courses and have both overall & major GPAs of 2.0 or higher then you will be graduating.

Around 2 weeks after finals, you will receive an email from the CoE stating that your degree will be awarded. **Congratulations!**

If you did not pass all of your courses or do not have both overall & major GPAs of 2.0 or higher then you will not be graduating.

1) Contact the Director of Academic Affairs at engr@eng.hawaii.edu, to discuss last requirements and re-filing to graduate.

2) Contact the Office of the Registrar at uhmdipls@hawaii.edu to ask them to reopen your registration for the upcoming semester.

**** If you do not do the above two steps, you will be unable to register to retake courses for graduation. ****

Transcripts

Check STAR Academic Essentials Page to see that you are “Awarded” your degree under the Events and Actions section.

Order your final official transcripts from the Office of the Registrar (usually ready ~ 6 - 8 weeks after graduation)

<https://manoa.hawaii.edu/registrar/student-records/ordering-transcript/>

Most Employers or Graduate Schools will ask for your final official transcript as proof of degree.

Questions or Need to Update Mailing Address?

Email the Office of the Registrar at uhmdipls@hawaii.edu

Letter of Confirmation

An employer or graduate school is requesting proof of degree **before** your final official transcript is ready.

CoE can write a letter confirming that you have met all requirements to graduate w/ final GPAs. The earliest these letters can be generated is 2 weeks after finals.

Contact Director of Academic Affairs at engr@eng.hawaii.edu to request letter and include:

- Email or Mailing address of recipients
- Company or School affiliation of the recipients

If your employer does not need proof of degree until after transcripts are ready (~6-8 weeks after graduation), then you should order your final official transcripts and you **do not need to request a letter**.
