AKAMAI

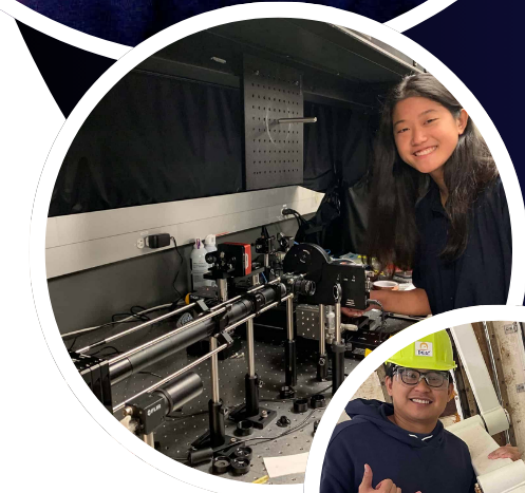

INTERNSHIP PROGRAM

Join us for an information session about the **Akamai** Internship Program

THE INTERNSHIP PROGRAM

The Akamai Internship Program offers college students from Hawai'i an opportunity to gain work experience at an observatory, company or scientific/technical facility in Hawai'i in a summer program.

The program has placements for students from community colleges and four-year universities from a wide range of STEM majors.

THE SUMMER PROGRAM INCLUDES:

- \$4600 Stipend
- Housing (if needed)
- Travel from home island paid by program
- Assistance with ground transportation at the internship site

WHEN:

Wednesday, October 29th from 10:30am - 1:30 pm HST

LOCATION:

University of Hawai'i at Mānoa
Holmes Hall 244
