

NOW HIRING:

Multimedia Communications Specialist

Oceanit is looking for a creative, strategic and data-savvy **Multimedia Communications Specialist** to join our team. This social media, video and photography role blends storytelling and strategy, ideal for someone who can both create compelling digital content and interpret the analytics behind it. You'll help shape Oceanit's digital voice across social platforms, produce engaging multimedia assets internally, and drive campaigns that inspire, educate, and connect with diverse audiences.

THE VALUE YOU DELIVER:

- Develop, implement, and manage an integrated social media strategy to increase engagement and grow audiences.
- Plan, shoot, and produce high-quality videos and photography that highlight Oceanit's projects, events, and people.
- Track performance metrics across social and digital channels using analytics tools.

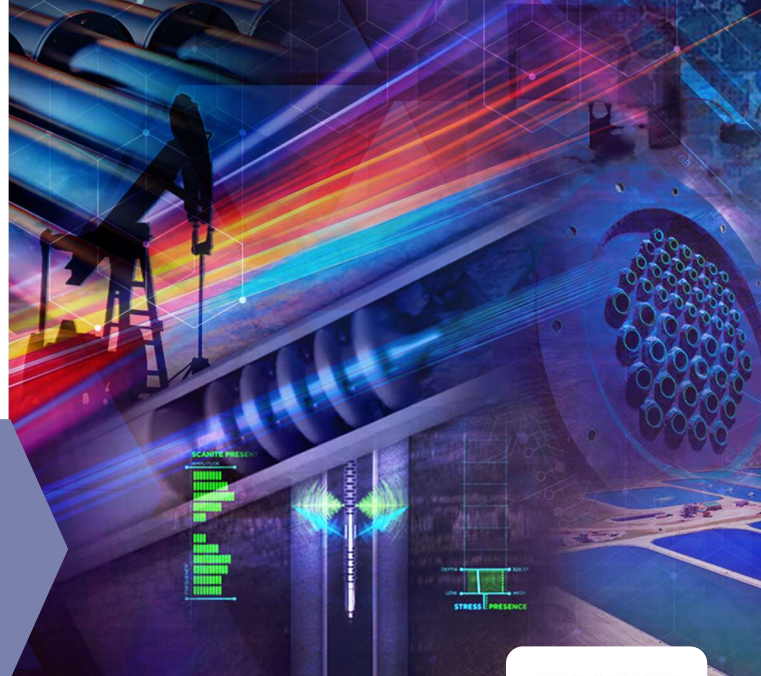

THE EXPERTISE WE'RE LOOKING FOR:

- Bachelor's degree required, degree in marketing, business, communications, or a related field preferred
- 3+ years of experience in digital marketing, multimedia production, or social media management.
- Strong proficiency in video production (e.g., Adobe Premiere Pro, Final Cut Pro), photography, and photo editing (e.g., Photoshop, Lightroom).
- Familiarity with analytics and scheduling platforms such as Meta Insights, Google Analytics, Sprout Social, or Hootsuite.

Here at Oceanit, our mission is to create value from innovation through engineering and scientific excellence produced in an environment where elements of such work and play are indistinguishable.

We are proud of what we've created and what lies ahead. We are Oceanit.
