

# NOW HIRING: Senior Planner

Help bring innovative projects to life by leading environmental planning efforts and guiding projects through regulatory processes.

We're excited to be hiring a **Senior Planner** to help lead and shape environmental permitting and planning efforts at Oceanit. In this role, you'll drive the preparation of environmental compliance documents under NEPA and Hawai'i Chapter 343, while overseeing permit applications and approvals that support impactful, real-world projects. This is a unique opportunity to work at the intersection of science, engineering, and community—collaborating with agencies, stakeholders, and multidisciplinary teams to move innovative ideas forward. We're looking for someone who brings strong judgment, clear communication, and a passion for working with diverse communities to deliver meaningful results.

## THE VALUE YOU DELIVER:

- Lead the preparation and processing of environmental compliance documents, including Environmental Assessments (EAs) and Environmental Impact Statements (EISs), ensuring compliance with NEPA and Chapter 343 (HRS).
- Manage the preparation, coordination, and submission of environmental permits, applications, and approvals.

## THE EXPERTISE WE'RE LOOKING FOR:

- Bachelor's degree in Environmental Science, Planning, English, Communications, or a related field (Master's degree preferred).
- 7+ years of relevant experience in environmental permitting, planning, or regulatory compliance.
- Demonstrated experience preparing and managing NEPA and/or Chapter 343 (HRS) documentation (EAs, EISs).

Here at Oceanit, our mission is to create value from innovation through engineering and scientific excellence produced in an environment where elements of such work and play are indistinguishable.
