

NOW HIRING:

Senior Architectural Manager

We are seeking a highly experienced and motivated **Senior Architectural Manager** to lead and oversee multidisciplinary design projects from concept through completion. This role requires a strong architectural foundation, proven leadership capability, and the ability to manage client relationships while guiding cross-functional teams to deliver high-quality, innovative design solutions.

The ideal candidate brings a balance of design excellence, technical expertise, and project management skills, with a demonstrated track record of delivering complex architectural projects.

THE VALUE YOU DELIVER:

- Lead, manage, and mentor a team of architects, designers, and multidisciplinary engineering professionals.
- O Proficiency in engineering software tools such as AutoCAD, Civil 3D, and other relevant design platforms
- Provide design leadership and technical oversight to ensure high-quality, code-compliant architectural solutions.

THE EXPERTISE WE'RE LOOKING FOR:

- Bachelor's degree in Engineering (Civil, Mechanical, Electrical, or related field required). Master's degree or higher is strongly preferred.
- Active Professional Engineer (PE) license in the State of Hawaii, or ability to obtain licensure within one year of hire.

Here at Oceanit, our mission is to create value from innovation through engineering and scientific excellence produced in an environment where elements of such work and play are indistinguishable.

We are proud of what we've created and what lies ahead. We are Oceanit.
